Although you can still participate in band without attending all summer rehearsals, it is essential that you attend as many rehearsals as possible (Even if you need to arrive late/leave early).

*Due to facility maintenance, weekly rehearsals may sometimes need to be rescheduled. Make sure you are in email contact with Mr. Johnson and/or on the freshman class remind list.*

## Summer and Fall 2019 Information Pamphlet

## Band Camp

To prepare for the marching season and get our halftime show performance-ready by our first football game, we have a one week band camp. Students will work with their peers, director, and staff to learn drill and music. Don't worry, there will be plenty of fun and games along the way!

Lunches and snacks will be provided by the Tanque Verde Band Booster Club.

We will avoid being outside for long periods of time in the hottest parts of the day, but be sure to bring sunscreen, closed-toe shoes, a hat, and your own water bottle (plus your instrument!)

## Incoming Freshmen

To make sure you have a spot in our halftime show, please email Mr. Johnson to introduce yourself, share what music classes you plan to take, and what instrument you play.

## PE Credit

Every marching season is worth 0.25 PE credits. Four years of band means you don't need to take PE.

## Remind

Text “@2019TVband” to the “81010” to join the freshman Remind text list. (Parents may want to join too!)

This service allows Mr. Johnson to send announcements/reminders to groups of students without sharing personal cell phone numbers.

Make sure that you can receive text messages!
